**CORRECTION OF INFORMATION CONTAINED IN
SECOND INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In the Second Information Disclosure Statement filed in this application on May 27, 2005, it was stated that the number and publication date of a Japanese document (JP 2001-199932) cited in the First Information Disclosure Statement was incorrect, and a corrected Form PTO-1449 was submitted.

We have now learned that the original Form PTO-1449 submitted with the First Information Disclosure Statement filed on September 10, 2004 contained the correct information (i.e., JP 2001-19932 published 01-23-2001) (which can be verified by a review of the International Search Report for the corresponding PCT application).

It is accordingly requested that the corrected PTO Form-1449 filed in this application on May 27, 2005 **not be considered**. A further copy of PTO Form-1449 filed with the First Information Disclosure Statement on September 10, 2004 is enclosed herewith. It is respectfully requested that an Examiner initialed copy of the original citation form attached hereto be returned to the undersigned.

Respectfully submitted,

BUCHANAN INGERSOLL PC
